

# 2022 Environmental Education Internship Positions in the Wisconsin Northwoods

You!

**June 6 – August 12, 2022**  
(limited flexibility in start and end dates)

Trees For Tomorrow Environmental Education Center, located in Eagle River, Wisconsin, is searching for two highly motivated individuals interested in gaining experience teaching people of all ages about sustainability and proper management of natural resources.

#### Provided:

- **Room and Board:** On-site dorm living provided. Homemade meals available during applicable programs.
- **Staff willing to work with you** to gain internship credits through your school.
- **A \$1500 Scholarship\*** is awarded after successful completion of internship and project.

*\* Subject to change if internship requirements are not met, including project completion and length of participation.*

#### Experience Gained:

- **Create and evaluate a lesson plan** (required project).
- **One-on-one training** and professional development opportunities.
- **Effective hands-on teaching techniques** for inquiry and experiential education.
- **Valuable teaching experience** under the mentorship of professional teaching staff.
- **Animal care and handling** (including snakes, turtle, raptor).
- **Networking opportunities** with local resource professionals.
- **Make new friends and lifelong memories** while living in the Northwoods!

#### Qualifications:

- 18 years of age or older.
- Current student of, or recent graduate from, a college program (including 4-year degree, associates degree and community college course work).
- Willingness to learn and teach in classroom and outdoor settings using various equipment such as canoes.
- Positive attitude and ability to work well with others.
- Ability to communicate with a variety of ages and backgrounds.
- Willingness to work a variety of shifts, including evenings and weekends.
- Willingness to work with animal artifacts such as skulls, pelts, and related taxidermy.
- Ability to walk 5 miles over rough terrain with a 20-pound pack.
- Strongly encouraged: Valid driver's license and willingness to drive a 15-passenger van with canoe trailer.
- Appreciated but not required: Current First Aid/CPR certification and/or Lifeguard certification.

**Questions or To apply: Send cover letter, resume, and include at least 2 letters of reference to: Bethany Heft, Intern Coordinator, [beth@treesfortomorrow.com](mailto:beth@treesfortomorrow.com)**
